BEST FOR QUILTING

*Includes Laser guide,
V-Sonic pen & wide table*

DREAMWEAVER VQ3000 **\$4,499**

- ▶ **561 sewing stitches** (531 built-in, 30 on CD), including new wide stitches, crazy quilting, vintage, heirloom, candlewicking and message designs, 14 one-step buttonhole styles and 5 sewing fonts
- ▶ **V-Series:** Enjoy the expansive 56 square inches of workspace that provides plenty of space for large projects
- ▶ **Large 7" LCD touch screen display:** View on-screen tutorials, and control the machine with the large, intuitive icons
- ▶ **Laser vision guide:** It's never been easier to sew a straight line - the laser vision guide is a huge benefit when top stitching, piecing, pintucking and cording
- ▶ **Up to 1,050 stitches per minute:** Create more works of art in less time
- ▶ **Built-in USB port:** Perform machine updates and use the second port to import and export designs from memory stick
- ▶ **Automatic height adjuster (AHA) feature:** The AHA feature helps ensure consistent stitch length on all fabric thicknesses by keeping the presser foot pressure consistent, regardless of fabric thickness, leading to uniform stitch quality across uneven surfaces

Dreamweaver

MuVit™ Digital Dual Feed System

This included digitally-controlled direct motor-driven accessory foot is designed for difficult projects which require special handling - so you can rest assured that your ability to move it smoothly is just a touch away.

V-Sonic pen for Sewing

Change needle position, set stitch width and position, select sewing end point, and set laser guide position without taking your eyes off your project - simply touch and sew.

- ▶ **V-Sonic pen for sewing:** Change needle position, set stitch width, select sewing end point, and set laser guide position without taking your eyes off your project - simply touch and sew
- ▶ **Ultra bright LED lighting:** No more task lights needed, surround the work area with 10" of bright and adjustable lighting
- ▶ **MuVit™ Digital Dual Feed System:** Use the direct motor-driven foot to powerfully feed fabric from the top and bottom, giving you greater control
- ▶ **Pivot function:** The presser foot automatically lifts as the needle remains lowered for fast and easy fabric manipulation
- ▶ **Bobbin winding while sewing:** A big time saver - wind bobbins for future use while sewing
- ▶ **Lockstitch key:** With the touch of a button, tie-off stitches can be easily sewn at the beginning and end of the stitch
- ▶ **Fully automatic needle threader:** With the touch of a button, the thread is pushed through the eye of the needle. The machine can be threaded manually for twin and specialty needle threading
- ▶ **Included wide table:** Provides even more workspace ideal for working on larger projects

UPSIZE YOUR HOOP

Includes V-sonic pen & droplight positioning marker

ESSENCE VE2300 EMBROIDERY MACHINE

\$4,499

- ▶ **318 built-in embroidery designs** including 13 bobbin work designs, 17 embroidery fonts (12 Alphabet, 2 Cyrillic, 3 Japanese embroidery fonts) and 140 frame pattern combinations
- ▶ **V-Sonic pen for embroidery:** Ultrasonic sensing provides embroidery positioning and angle rotation with a simple touch
- ▶ **Large 7" LCD touch screen display:** See up to 260,000 colours with little or no on-screen colour shifting; view on-screen tutorials, and control the machine with the large, intuitive icons
- ▶ **Up to 1,050 stitches per minute:** Create more works of art in less time
- ▶ **Ultra bright LED lighting:** No more task lights needed, surround the work area with 10" of bright and adjustable lighting
- ▶ **Droplight embroidery positioning marker:** The LED pointer shows the needle drop position with pinpoint accuracy - critical for embroidery

Essence

Droplight Embroidery Positioning Marker

The LED droplight shows the needle drop position with pinpoint accuracy – perfect embroidery results.

V-Sonic pen for embroidery

Ultrasonic sensing provides embroidery positioning and angle rotation with a simple touch.

- ▶ **Built-in USB port:** Connect to a computer for importing and exporting designs or performing machine updates. Use the second port to import and export designs from a memory stick
- ▶ **Large embroidery area:** The space to create with a maximum embroidery field of 300 x 200mm; two embroidery frames are included; 300 x 200mm and 180 x 130mm
- ▶ **Automatic thread trimming system:** Cuts threads between colour stitch blocks, convenient and a real time saver
- ▶ **Sleep and shut-off modes:** Energy efficiency you can expect from Brother
- ▶ **Stitch jumping:** Move through your design up to 500 stitches at a time - a huge benefit if you break a thread

Get ready to enjoy embroidery perfection with the Brother Essence VE2300.

BIG EMBROIDERY PLUS SEWING

Includes 2 embroidery hoops, 300 x 200mm and 180 x 130mm

ESSENCE VM5200 SEWING, QUILTING & EMBROIDERY MACHINE **\$5,999**

- ▶ **715 sewing stitches** 715 built-in stitch designs including 13 bobbin work designs, 17 fonts (12 Alphabet, 2 Cyrillic, 3 Japanese embroidery fonts) and 140 pattern frame pattern combinations
 - ▶ **V-Series:** Enjoy the expansive 56 square inches of workspace that provides plenty of space for large projects
 - ▶ **Large 7" LCD touch screen display:** See up to 260,000 colours with little or no on-screen colour shifting; view on-screen tutorials, and control the machine with the large, intuitive icons
- +
- ▶ **Up to 1,050 stitches per minute:** Create more works of art in less time
 - ▶ **Ultra bright LED lighting:** No more task lights needed, surround the work area with 10" of bright and adjustable lighting
 - ▶ **Automatic height adjuster (AHA) feature:** The AHA feature helps ensure consistent stitch length on all fabric thicknesses by keeping the presser foot pressure consistent, regardless of fabric thickness, leading to uniform stitch quality across uneven surfaces
 - ▶ **Fully automatic needle threader:** With the touch of a button, the thread is pushed through the eye of the needle. The machine can be threaded manually for twin and specialty needle threading

Essence

Optional accessory: Multi-function foot controller

Multi-function foot pedal with heel kick and side pedal. Control up to two functions (besides start/stop) from the foot pedal. Choose from:

- thread cutter
- sewing single stitch

- reverse stitch
- needle up/down

The large pedal can be used for all sewing. The distance between pedals is adjustable and the side pedal can be used on either the left or right side.

- ▶ **Pivot function:** The presser foot automatically lifts as the needle remains lowered for fast and easy fabric manipulation
- ▶ **Large embroidery area:** The space to create with a maximum embroidery field of 300 x 200mm; two embroidery frames are included; 300 x 200mm and 180 x 130mm
- ▶ **Multiple line text formatting**
- ▶ **Built-in USB port:** Connect to a computer for importing and exporting designs or performing machine updates. Use the second port to import and export designs from a memory stick

- ▶ **Optional MuVit™ Digital Dual Feed System:** Use the direct motor-driven foot to powerfully feed fabric from the top and bottom, giving you greater control
- ▶ **Optional Droplight embroidery positioning marker:** The LED pointer shows the needle drop position with pinpoint accuracy - critical for embroidery
- ▶ **Optional Multi-function foot controller:** Use this optional two pedal foot to control up to three different sewing functions, all with the press of your foot. Allows a wide variety of functions while holding your project with two hands

DESIGN YOUR OWN EMBROIDERY

Includes My Design Centre for digitising & Snap frame technology to view your hoop on the touchscreen for precise positioning

STELLAIRE XE1 EMBROIDERY MACHINE **\$8,999**

- ▶ **727 embroidery designs** including 101 Pixar Disney designs, 140 built-in frame pattern combinations and 22 Alphabet and 2 Cyrillic fonts
- ▶ **10.1" Touch screen LCD display:** High Definition. View built-in tutorials and MP4's onscreen
- ▶ **Extra large 360 x 240mm embroidery area:** Includes two sizes of embroidery frames: 360 x 240mm and 180 x 130mm
- ▶ **Easier Onscreen Embroidery Editing:** Easily edit your embroidery designs and fonts. Combine designs, add text to designs, duplicate, rotate, mirror and resize with stitch recalculation directly on the embroidery

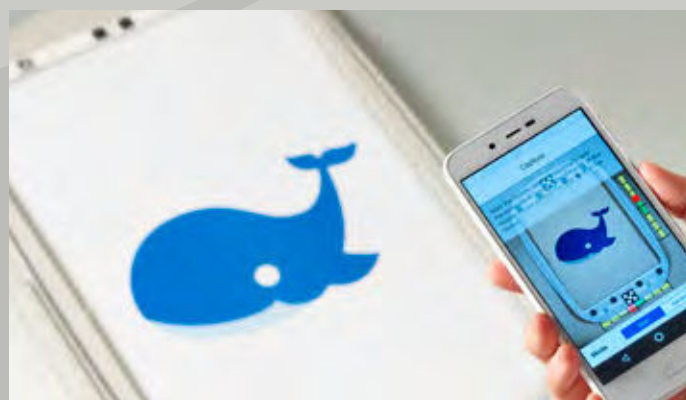

- machine, no computer required. With the border function, begin with a small design and turn it into a border for pillowcases, towels, or curtains. With the ability to undo and redo up to 10 times while editing, you don't have to worry if you make a mistake
- ▶ **My Design Centre – Easy Auto Stippling:** Add stippling or a decorative fill around any embroidery design, whether built-in or imported. Generate a stamp pattern outline and then select it in the Stamp menu. Choose from 15 built-in decorative fill patterns or select Stipple Stitch and the machine does the rest. Add multiple fills to separate sections. With the enhanced preview mode, see both the scanned design and selected stippling before you embroider

STELLAIRE

Precise Positioning

Use your phone or tablet to take a photo of the embroidery area in any of the new Snap Frame hoops.

Turn just about anything into embroidery!

Creating a custom personal work of art has never been easier. Use the My Design Snap mobile app and My Design Center to turn line art, handwriting, or an illustration into embroidery data. It's as easy as 1-2-3.

▶ **My Design Snap Mobile App:** Use your device to capture the embroidery area for precise positioning of your design. Pair with the Snowman Embroidery Positioning Marker for automatic and precise design alignment. Simply place the Snowman where you'd like the design to be embroidered and hoop your project. Snap a picture of the embroidery area using your mobile device, preview it on screen, and you're ready to embroider! The design will automatically rotate and position itself in the designated space.

- ▶ **AccuTrac embroidery system:** Our advanced system provides better under arm support, reduces bounce and provides better stitch quality
- ▶ **Advanced Colour Shuffling Capabilities:** Take the guesswork out of colour selection. Let the machine do it for you. Ability to compare up to 9 colour combinations and save your favourite colour schemes
- ▶ **Optional PE DESIGN 11:** Personal Embroidery and Sewing Digitising Software. Wirelessly transfer embroidery designs and sewing stitches between PE-DESIGN 11 and the Stellaire

EMBROIDERY IS A SNAP

Includes My Design Centre for digitising & Snap frame technology to view your hoop on the touchscreen for precise positioning

STELLAIRE XJ1 SEWING, QUILTING & EMBROIDERY MACHINE **\$11,999**

- ▶ **727 embroidery designs** including 101 Pixar Disney designs, 140 built-in frame pattern combinations and 22 Alphabet and 2 Cyrillic fonts
- ▶ **Extra large 360 x 240mm embroidery area:** Includes four sizes of embroidery frames: 360 x 240mm, 240 x 240mm, 180 x 130mm, 100 x 100mm
- ▶ **Easier Onscreen Embroidery Editing:** Easily edit your embroidery designs and fonts. Combine designs, add text to designs, duplicate, rotate, mirror and resize with stitch recalculation directly on the embroidery machine, no computer required. With the border function, begin with a small design and turn it into a border for pillowcases, towels, or curtains. With the ability to undo and redo up to 10 times while editing, you don't have to worry if you make a mistake

- ▶ **My Design Centre - Easy Auto Stippling:** Add stippling or a decorative fill around any embroidery design, whether built-in or imported. Generate a stamp pattern outline and then select it in the Stamp menu. Choose from 15 built-in decorative fill patterns or select Stipple Stitch and the machine does the rest. Add multiple fills to separate sections. With the enhanced preview mode, see both the scanned design and selected stippling before you embroider
- ▶ **My Design Snap Mobile App:** Use your device to capture the embroidery area for precise positioning of your design. Pair with the Snowman Embroidery Positioning Marker for automatic and precise design alignment. Simply place the Snowman where you'd like the design to be embroidered and hoop your project.
